Dear Massage School Applicant,

Enclosed is everything you need to register for our 830 Hour Massage Therapy Program. **We are the school of choice in Alaska for Oriental Healing Massage and Bodywork**, and you will see that we are much more than just a Massage School – we are a healing journey. You will gain a very strong foundation in the way the human body works, massage therapy, acupressure and coming into health. Our background and focus is rooted in Oriental Medicine with a holistic philosophy that does not separate the mind-body-spirit.

We look for students that are interested in a deep approach to health and longevity, willing to incorporate lifestyle changes that embrace and embody a real picture of health and happiness. Our students are enthusiastic, hard working and passionate about massage, healing, excellence, and success. If this is you, we are YOUR school!

Our school places a very high emphasis on ensuring that you are successful in this field. After you graduate and become a Licensed Massage Therapist, we have several work opportunities available to those interested through The Oriental Healing Arts Center and Massage Now!. We also offer a full line of Advanced Massage Therapy and Oriental Medicine courses to further benefit your career, including programs in TuiNa Acupressure Massage (Chinese), Energy Medicine Healing (Taoist), Chinese Herbs, 5-Element Nutrition, Essential Oil Certification, and more.

How the program works:

- We offer 2 schedules to fit various time and financial needs.

Program D: Full-time days - Mon, Wed, Fri 9:30am-3:00pm (11 months)

Program C: Part-time days - Take up to 3 years to complete all classes

- **Program D: This program is eligible for VA Educational Funding and Alaska State Student Loans.** It is the shortest time period, 11 months. Students should be ready to apply a time commitment during non-class hours to complete the required student clinic hours.

- **Program C:** If a flexible schedule best suits your needs this program is for you. Within certain guidelines, program C may be eligible for Alaska State Student Loans (talk with us about details), and it may be eligible for other types of funding. We recommend starting with Anatomy as your first class, and if you can take more add on Physiology and Chair Massage. Classes are offered twice each year – Spring and Fall – and you have 3 years to finish all 830 hours.
 - You must take the Anatomy course in order to take any hands-on massage classes so we recommend that you take Anatomy first, or at the same time as a hands-on massage class. It is important to know the muscles and bones you are touching when doing massage.

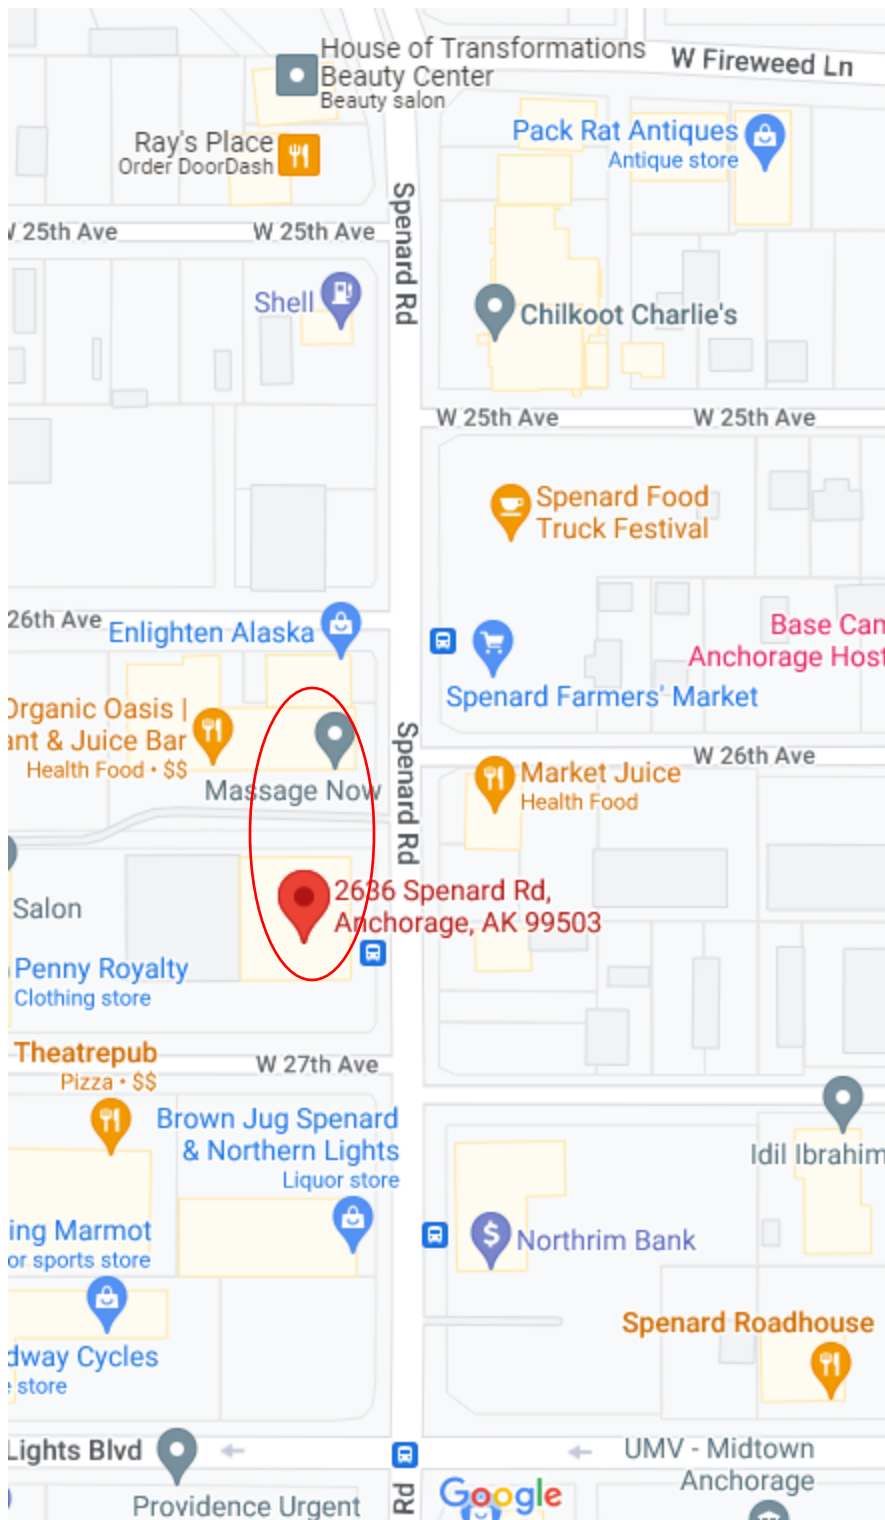

How to Apply and Register:

1. One of our Recruitment Officers will guide you completely through the registration process, including the application kit, financial aid assistance, and orientation. If you need a Recruitment Officer to work with, contact us at 907-279-0135.
2. The earlier you apply for financial aid the better. Some agencies will not approve funding if you are already attending classes that have started.
3. Payment:
 - Enclose payment for your course tuition. Acceptable forms are cash, check (payable to AK Institute) or MC/Visa/Discover/AMEX.
 - If you have requested our internal payment plan you must put at least 25% down. Your Admissions Officer will assist you with a Payment Plan Agreement which must be completed and signed.
 - If you have applied for or will be receiving financial aid write in the name of the agency which will be funding your tuition and the total amount.
4. The Massage Therapy Program Director will review your application after which you will receive a letter of acceptance, acceptance pending specific items, or denial to the program.

We are proud to bring you the highest quality education in Oriental Healing Arts. If you have any additional questions or would like to schedule an appointment to discuss the program further please contact us at 907-279-0135.

Sincerely,
